Noble Environmental Power Announces Management Changes, Addition of Walter Howard

Essex, CT - Noble Environmental Power, LLC announced today that Walter Howard is joining the company as its Chief Executive Officer. The current CEO, Charles Hinckley, will become the company's Executive Chairman and continue as an employee of the company.

"I am delighted that Walt is rejoining the Noble team, and he is an outstanding addition to our senior management," Mr. Hinckley said.

Mr. Howard previously worked with Noble Power Assets, a predecessor to Noble Environmental Power, as well as General Electric, US Generating Company, and the J. Makowski Company. He joins Noble from American Water, where he was Senior Vice President. Mr. Howard holds BSCE and M.Eng. degrees from Cornell University, and a MBA from Harvard.

Noble is a leading renewable energy company that is majority owned by funds affiliated with JPMorgan Partners, LLC, which are managed by CCMP Capital Advisors, LLC. Noble was founded in 2004 in response to public policy initiatives designed to foster the increased use of renewable energy sources. Noble is committed to creating environmentally friendly facilities in partnership with local communities. Based in Essex, CT, Noble has offices in Altona, Churubusco, Brandon, Bliss, and Fredonia NY; Ubly, MI, Rutland, VT, and Lancaster, NH.
